CHRYSTIAN ARIEL LUFT BALEM

Product Designer | UX Strategy | Design Systems | Data-Driven Design

SUMMARY

Product Designer with 6+ years of experience delivering scalable, user-centered digital products across Latin America and the United States.

Specialized in complex product flows, design systems, and research-driven decision-making. Strong track record of collaborating with Product Managers and Engineers to translate complex requirements into intuitive, high-impact solutions.

Experienced in remote and distributed environments, with a data-informed approach to improving usability, engagement, and business outcomes.

WORK EXPERIENCE

Eldorado Research Institute — Dec 2020 – Present | Product Designer

- Led end-to-end product design initiatives in collaboration with Product Managers and Engineers, driving solutions from discovery to delivery
- Conducted user research, usability testing, and data analysis to identify user pain points and inform product decisions
- Designed scalable user flows and interfaces for complex systems, improving usability and reducing friction in key journeys
- Owned and evolved design systems in Figma, increasing UI consistency and reducing design-to-development handoff time
- Facilitated cross-functional alignment through clear communication of design rationale, flows, and prototypes

Fasters — Nov 2018 – Nov 2020 | Product Designer

- Designed and prototyped high-fidelity web and mobile experiences for clients across multiple industries
- Redesigned landing pages and user journeys, contributing to increased conversion rates (estimated 15–30%)
- Collaborated with developers and stakeholders to deliver user-centered solutions aligned with business goals
- Conducted heuristic evaluations and usability improvements to optimize user experience

Web Produtora — May 2017 – Sep 2018 | UI Designer

- Designed e-commerce interfaces focused on usability and conversion
- Collaborated with developers using HTML and CSS to ensure accurate implementation of design solutions

- Worked directly with clients and internal teams to align business and user needs

MENTORSHIP

UI/UX Mentor

- Mentored junior designers in UX/UI and Product Design, supporting skill development and career growth
- Provided feedback on portfolios, case studies, and design processes

EDUCATION

PUCRS University — Postgraduate Degree in User Experience Design

ULBRA University — Bachelor's Degree in Advertising

SKILLS

Product & UX

- Product Design
- UX Research & Validation
- Usability Testing
- Interaction Design
- Complex User Flows
- Design Systems

Tools

- Figma, FigJam
- Miro, Mural
- Hotjar

Technical

- HTML, CSS
- Basic knowledge of React and Angular
- Familiarity with product development workflows
